

Do something WILD at the Delaware State Fair

Volunteer at the Fish & Wildlife Exhibit!

July 18-27, 2013

**Enjoy going to the State Fair? Have a hankering for habitats? An affection of animals?
Then this is a volunteer opportunity for YOU!**

Each year, the Division of Fish & Wildlife presents its unique Wildlife Exhibit as part of the DNREC exhibit at the DE State Fair. This popular exhibit provides viewing opportunities and cool fun facts about a variety of the state's wildlife—including bobwhite quail, ducks, a live fish pond, turkeys, and aquariums with a variety of aquatic critters.

The Division is looking for volunteers to assist with manning the exhibit, which involves monitoring animals and interacting with visitors.

Volunteers must be at least 18 years old.

Exhibit dates and shifts are on the back of this flyer.

Contact Lynne Staub to volunteer!
